

Harvest Pack Information

- ★ The Who (is involved... has nothing to do with rock bands)
 - CofC Youth, families, and friends get first crack at volunteer slots
- ★ The What (is this all about):
 - 10,000 meals packed into about 1667 bags and loaded into large boxes that will then be wrapped onto pallets to be shipped
- ★ The When (is this happening): January 15th
- ★ The Where (is this all going):
 - Distribution through International Care Ministries in the Phillipines (<http://www.caremin.com/>); Harvest Pack sends them 6 shipping containers of 270,864(!!) total meals a year (that's 45,144 individual bags!). ICM is a program to build health and livelihood through education, job training, and medical aid, with the goal of getting them off the program and being self-sustaining. The meals Harvest Pack provides takes the stress of food shortage off the families and allows them them to focus on their education for the duration of the program.
- ★ The How (does it work):
 - Now through January: We raise money
 - January 14th: Need a few people to help with setup for an hour or so
 - January 15th: Pack! Immediately after 11am service (so, noonish), will take about an hour

Harvest Pack \$\$ info:	FUNdraisers:
\$20 per person "buy in"	M&Ms: \$700/2800 meals
	12th Man: Appx \$500/2000 meals
	Change for Change: SUPER RICE!!
